

We're inviting you on a "ROAD TRIP" for Extravaganza 2016! Our lives are certainly a journey, and our theme this year reminds us that the excursion can be either rough or smooth. Join us as we share many lessons to help you in your relationships with the Lord, as well as those relationships in your home and church. As you know, a good road trip is not just a matter of reaching the destination; it's also enjoying the journey! You won't want to miss this amazing day!

Invite a group of ladies to come with you for this practical time of teaching and fellowship. Save the date: October 1, 2016. Register anytime from now until September 16th. It will be our pleasure to host you.
