Midweek Service

The Midweek service is a wonderful time of Bible study and prayer. The year 2021 will feature a theme of being "Rooted in Christ." On most Wednesday evenings, Pastor Clear will be teaching both a prophetic as well as a practical study of the books of Daniel and Revelation. This week, we continue our breakout groups. For those wishing to follow the Bible study, including livestream, our topic is "How Prayer Tamed the Lions."

Pastor's Pen

Dear Church Family,

This past Monday was Presidents' Day, a holiday originally created to celebrate our nation's first president's birthday. I remember as a young child celebrating Washington's birthday on February 22nd, the actual date of his birthday. With the Uniform Monday Holiday Act in 1968, we moved into celebrating presidents and always on the third Monday of the month. And indeed, we have had many presidents and even three others with birthdays in February, but I for one wish we would still teach important historical figures and events with the appreciation they deserve. George Washington was not only our first president, but gave our nation through his life, his words and his service, an example of what makes America great. Because of his great leadership, we became the United States of America. Washington was a man who revered the Bible, who prayed, who served with humility. 289 years ago tomorrow, George Washington was born. Let's remember his example as we strive to live up to the name "Americans." Let's celebrate Washington's birthday tomorrow!

In Christ's Service,
Pastor Dave Clear
Senior Pastor
